“VISIONS” (ISBN 978 1 60477 032 2).

“VISIONS” is a fictional story of three children who see an apparition of the Lord Jesus on their way to church. They tell their priest, Father Ignatius, about it; and pretty soon news spreads throughout town.

People react to the news in different ways. Some readily believe; others mock and scoff in disbelief, whilst some react violently towards the children and their families.

Parishioners seek guidance from Father Ignatius whereas the Church seeks to hush the whole story in the hope that it goes away; whilst Jesus appears again and again.

“VISIONS” challenges readers to ask what they would do in a similar situation – as Christians, as parents or just as onlookers.

A vibrant tale of supernatural events, with a fast-paced storyline and strong believable characters, “VISIONS” is a challenging must-read Christian book for everyone ready for a reality check on what they actually believe.

“VISIONS” is available from all good bookstores and on the Internet as well as in Kindle, Nook and other electronic versions.

I pray that God blesses each one of you dear readers, old and new, and may He be with you and your families always.
